

Polo Anniversary Edition

Volkswagen

A DECADE OF MAKING THINGS BETTER.

A decade. That's how long Volkswagen has been a part of India. And to commemorate our 10-year anniversary in one of the fastest growing countries in the world, we present the Polo Anniversary Edition. A combination of style and a distinctive design, that will leave you gasping for more.

RAZOR ALLOY WHEELS

This edition's stunning galvanized steel frame resides upon restless R15 Razor alloy wheels.

COOLED GLOVE BOX

The air-conditioned glove box ensures there's a cool drink ready during long drives on hot sunny days.

ELECTRICALLY ADJUSTABLE ORVM

True luxury is having everything you want at your fingertips. The ORVM's viewing angles can be electrically adjusted with the touch of a button.

STYLISH BODY GRAPHICS

Making heads turn, is now just a matter of turning the key in the ignition. Now, stylish graphics adorn either side of the car.

ANTI-PINCH POWER WINDOWS

To make sure no fingers are injured, the anti-pinch power windows stop and automatically move down on sensing any obstacle in its path.

PREMIUM BLACK SEAT COVERS

We've made sure that your ride is as in vogue as you. With premium black seat covers, take the style quotient of the roads to the next level.

DUAL FRONT AIRBAGS AND ABS

Every inch is designed keeping your safety in mind. Like the Dual Front Airbags, that make sure you and your co-passenger stay unhurt in the event of a collision. And the Anti-lock Braking System, that prevents the car's wheels from locking, ensuring you always have control over the vehicle.
